25 October 2016

Dear Shane,

On Saturday 22nd October 2016 Sold Out National Event Management hosted the event Light The City at Mrs Macquaries Chair, The Domain. As you are aware a lot of planning and consideration went into ensuring this event was enjoyable and at the same time professional.

With the generous help of many companies and sponsors it made our job easier in organising what proved to be a highly successful event.

We would like to thank you for your help with the organisation of this event, without the hard work and dedication provided by TR Hire Com for Light The City, the event would not have been as successful as it was.

Thank you again and we look forward to continuing to work with you in the future.

Kind Regards
